Construction Traffic Control Truck Detour

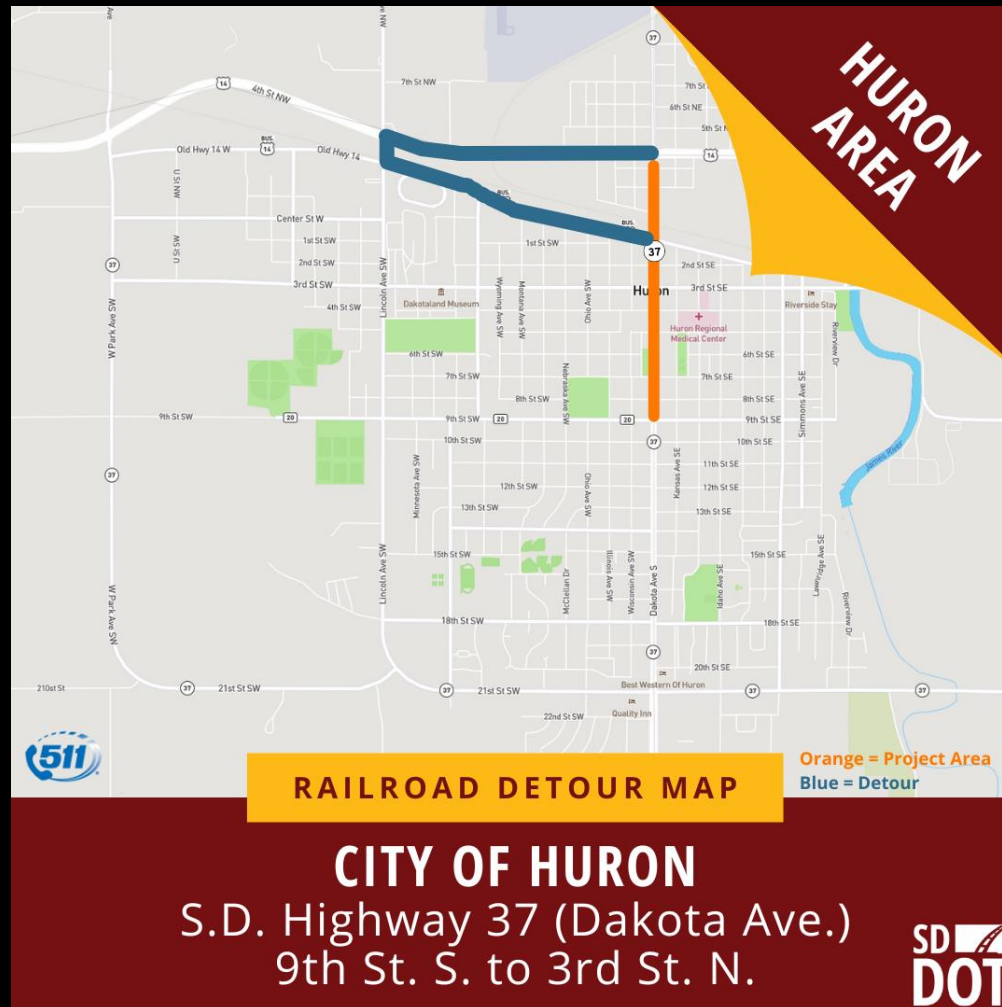

Construction Traffic Control Car Detour

Construction Traffic Control

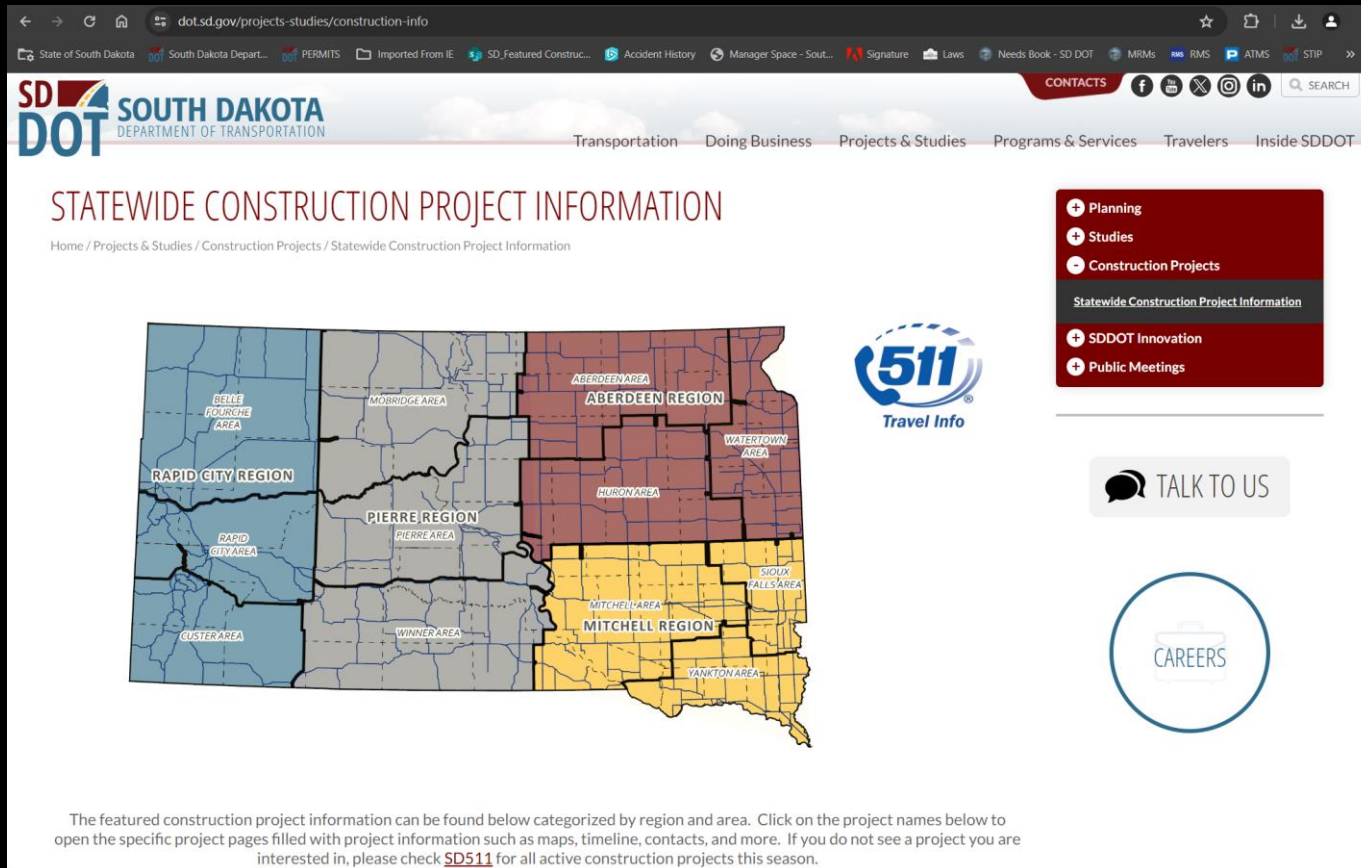

Phase 1 – Railroad / Pipe Crossing

Project Updates

➤ SDDOT Website – dot.sd.gov

- <https://dot.sd.gov/huron-hwy37-dakotaave-pcn-06a2>

The screenshot displays the SDDOT website's "STATEWIDE CONSTRUCTION PROJECT INFORMATION" page. The page includes a navigation menu with "CONTACTS" and social media icons, and a breadcrumb trail: "Home / Projects & Studies / Construction Projects / Statewide Construction Project Information". A map of South Dakota is shown, divided into regions and areas: Belle Fourche Area, Rapid City Region, Pierre Region, Aberdeen Region, Huron Area, Mitchell Region, and Yankton Area. The 511 Travel Info logo is visible. A sidebar menu on the right lists: Planning, Studies, Construction Projects (selected), Statewide Construction Project Information, SDDOT Innovation, and Public Meetings. Below the map, there is a "TALK TO US" button and a "CAREERS" button. At the bottom, a text block states: "The featured construction project information can be found below categorized by region and area. Click on the project names below to open the specific project pages filled with project information such as maps, timeline, contacts, and more. If you do not see a project you are interested in, please check SD511 for all active construction projects this season."
