

# BUILD YOUR FUTURE

**APPLY TODAY FOR A BETTER TOMORROW**

## What is Build Dakota?

With the Build Dakota Scholarship, you can earn a full-ride scholarship through the South Dakota technical colleges that offer your degree. That's a two-year degree and a ticket to a rewarding career.

## Partner with the South Dakota Department of Transportation (SDDOT)!

The SDDOT is interested in working with you as a future employee - work with us and we will help to pay for your education!

Build Dakota and the SDDOT are working together to introduce people to the field of **Civil Engineering Technician** and **Equipment Technician** by partnering to pay for a full ride scholarships to include **tuition, fees, books, tools, laptops, and more!** Partnership opportunities available in Aberdeen, Huron, and Pierre.

## How to Apply:

Visit [www.builddakotascholarships.com](http://www.builddakotascholarships.com) to apply for the Build Dakota Scholarship!

There are two ways to increase your opportunity to earn a Build Dakota Scholarship (and start a great career) in partnership with the SDDOT:

- One: On your Build Dakota application, indicate that you are interested in a work-force partnership with the SDDOT
- Two: Let us know your interest! If you're interested in interviewing and partnering with the SDDOT please reach out to Courtney Storm: 605-910-4548

### Opportunities and Locations:
