The South Dakota Department of Transportation (SDDOT) will hold an open house style public meeting to discuss and receive public input on the above project. The open house will be informal, with one on one discussion with the SDDOT and design staff.

A presentation will take place shortly after 5:30 p.m. Afterwards, SDDOT staff will be available with displays to discuss the proposed project and answer your questions. During this time, you will also have the opportunity to present written comments.

Members of the public may also view project information on the Department website or submit questions or comments about the project by completing an online form or by calling 605-791-6103 and providing verbal comments.

Information will be available on the acquisition of right-of-way and relocation assistance. This project is being developed in compliance with state and federal environmental regulations. Impacts to wetlands, historic properties, and threatened & endangered species will be reviewed during the project.

Notice is further given to individuals with disabilities that this public information meeting/open house is being held in a physically accessible place. Any individuals with disabilities who will require a reasonable accommodation in order to participate in the public information meeting/open house should submit a request to the department's ADA Coordinator at 605-773-3540 or 1-800-877-1113 (Telecommunication Relay Services for the Deaf). Please request the accommodations no later than **2 business days prior to the meeting** in order to ensure accommodations are available.

Any individuals with disabilities who require a reasonable accommodation to access the information on the department's website may submit an accommodation request to the department's A.D.A. coordinator by calling 605-773-3540 or 1-800-877-1113 (Telecommunications Relay Services for the Deaf).

All persons interested in this project are invited to attend this meeting to share your views and concerns any time between 5:30 p.m. and 7 p.m. Written comments will be accepted until July 29, 2022.

For further information regarding this project, contact Dustin Hamilton, HDR Engineering at (605) 791-6103.
